"We are extremely proud and thankful to our fantastic family of real estate agents and brokers that continue to keep us at the top of the market," shares Bob Deville, Co-Owner of Windermere Real Estate Southern California. "Our agents are our pride and joy and the key to our success as a real estate brokerage. There is no mystery to that success. We give our agents the tools they need to succeed, support them in every way that we can, and get out of their way."

Windermere is run on an agent-centric approach. Whether newly starting in the industry or seasoned Realtors®, agents come to and stay with Windermere for the staffing, technological and educational advantages they are offered. The tools they find at Windermere allow them the flexibility and market savvy to flourish. Their clients reap the benefits.

"At Windermere, we understand the cycles of the market and plan ahead," Bob Deville continues, "we have continued to expand our offices and the tools we offer our agents while other companies have scaled back.
