PAUL SEGAL MOVES TO WINDERMERE

RANCHO MIRAGE (Calif.) – January 22, 2011 – Windermere Real Estate this week welcomes Paul Segal to its Rancho Mirage office located at 71-691 Highway 111.

Segal, a graduate of the University of Oregon, brings to Windermere more than 25 years of real estate experience, with five years here in the Coachella Valley. Although his expertise extends to every facet of desert real estate, he specializes in high-end residential and commercial transactions. Providing exceptional service to his clients is second nature. "I come from a family of commercial real estate investors," he says. "I enjoy the challenge and variations of each transaction, as well as the investment opportunities." Segal has a low-key manner which appeals to his clients. They like his creative and proactive approach to getting a deal done, no matter how complex the transaction.

In addition to his multi-faceted real estate career, Segal and his wife are both active with Act for MS, an organization which works to assist Coachella Valley residents diagnosed with multiple sclerosis. For more information about Act for MS, go to www.actforms.org. Segal also serves on the board of Marywood-Palm Valley School.

Windermere Real Estate is proud to have Paul Segal join its family of licensed, professional agents at 15 offices spanning the Coachella Valley from Palm Springs to Indio. Additional locations in Garner Valley, Lake Arrowhead, and throughout the Southland including Brea, Chino Hills and San Diego. For more information, go online at www.WindermereSoCal.com.
