FOR IMMEDIATE RELEASE

Windermere Welcomes Spadafore & Associates

Windermere Real Estate is proud to welcome Spadafore & Associates to its Laguna Niguel office at 27611 La Paz Road, Suite D.

Pam Spadafore brings her distinct brand of customer service, with roots in her earlier medical career. A part of the real estate industry since 1999, Pam obtained her Realtor® license in 2001. For nearly a decade, she has ranked in the top 1% producer category and received Prudential's Legend Award. Pam understands all aspects of the Orange County property market—she is certified in short sales, as well as being a Windermere Premier Properties director; she also represents custom home development, from land acquisition to finished home sales. What do her clients like most about Pam? "Simply put, we exceed their expectations. They know they can rely on our honest and detail-oriented service." And they return for more. Pam's team enjoys a high rate of repeat business, reflected in her motto: 'Spadafore and Associates - Selling Condos to Castles.' In addition to her thriving real estate work, Pam and her husband Joe own Extreme Biodiesel, a young alternative fuels processing company.

Rounding out Spadafore & Associates Team are four multi-talented agents: Top Producer Nancy Harper, who has exceptional insight into technical issues, having owned her own computer company. Laura D. Farley, Sales Associate/Operations Manager, holds a Masters in Marketing. Robert Ott, Sales Associate, brings to Spadafore & Associates an extensive lending background. Marie Winter's broad sales background includes furniture design, a Fine Arts degree, and two feng shui certifications.
